

Little Lazy is truly a sight for sore eyes. With Brendan Pafford on vocals and guitar, Kevin Cook on drums, and Mark Teta on bass. The Orlando rock trio has been carefully crafting their distinct and eccentric style with artists such as The Black Keys, Turnstile, and Foo Fighters in mind. When seen live, their tunes and energy will have you clapping your hands and stomping your feet from start to finish. 2023 started off with their banger live album “BREAKOUT” and is followed up by their latest release “FREAKUENCY”! Follow them on TikTok, Instagram, and Youtube to be in the loop for upcoming shows and new music. And as always, stay L@ZY.
